CERTIFICATE OF MAILING UNDER C.F.R. §1.8 (a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on May 24, 2004.

SUMMARY

During a telephonic interview on May 24, 2004, the Applicants respectfully submitted to the Examiner that the cited reference Hamamoto et al. (US 6,479,827) has a later priority date than the present application. Therefore, this reference was incorrectly cited against the present application. Since each presently pending rejection is based on Hamamoto, the Applicants request that the Office Action dated April 6, 2004 be withdrawn.

To expedite the early allowance of this application, the Applicants further request that the Examiner correct by Examiner's amendment the Claim Objections as follows:

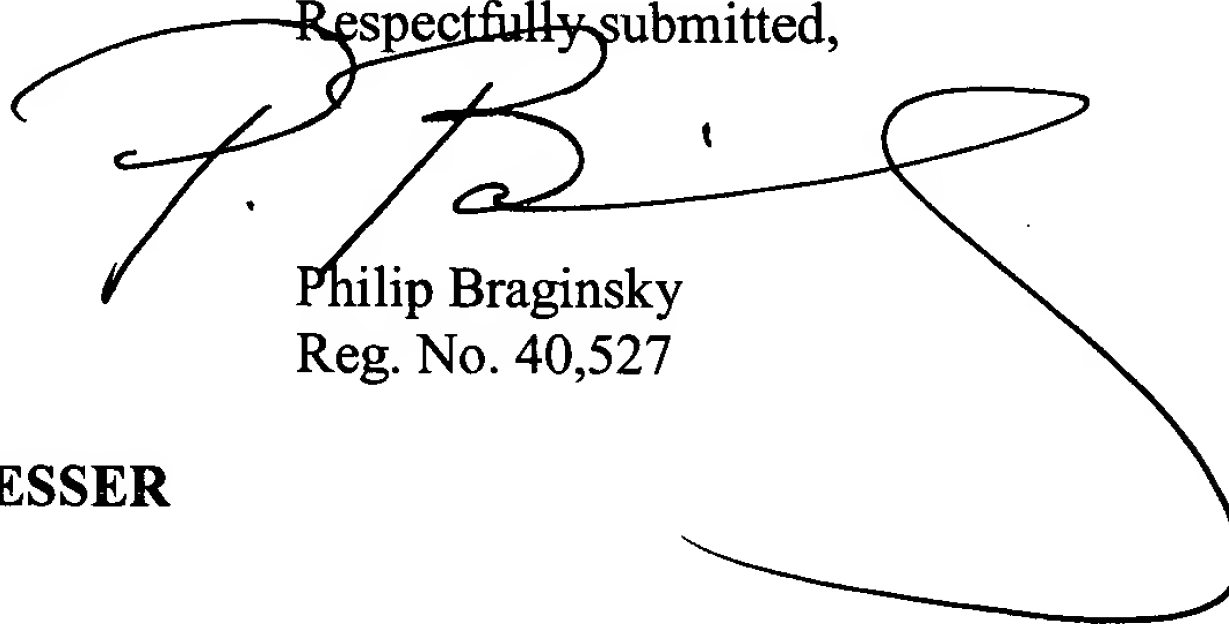

In claim 6, line 2, "the compensation" may be changed to "a compensation".

In claim 13, line 4, please correct the spelling to read "time" rather than "tine".

This should put the present application in a form ready for allowance.

No additional fee is required and no new matter has been added.

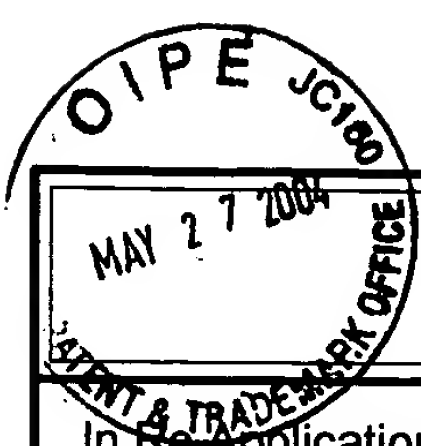

Respectfully submitted,

A large, stylized handwritten signature in black ink, appearing to be 'P. Braginsky', is written over the typed name and registration number.
